Many of us give in ways other than putting money in the offering plate each week. Some of us give online at the church's website, or use our bank's online bill pay. Some of us make one large annual gift, or we fulfill our pledge by making a gift once a month. We give our time and our talents because all of our gifts make a difference. Note ways to participate on the reverse side.

*Gold envelopes are available in the pews for any financial gifts you would like to give today. Place this card in the offering of a symbol of a gift you've made in another way.*

**With awe and gratitude, we rejoice and give thanks to God for this church.**

Thanks to your abundant generosity, we met—and exceeded!—our goal of raising the balance of the Legacy Fund to \$100,000 in honor of our 100th anniversary. As of last Sunday, the balance of the fund totaled more than \$107,000, along with many church members who have included First Christian Church in their estate plans. As this fund continues to grow, it will create a funding stream that will support our annual budget, enhance our outreach ministries, and help us maintain our building. What better gift, here at the beginning of our second century, than to know that our ministries will thrive long into the future. If you have already included First Christian in your estate plans, please let us know so that we can include your name in future publicity about the fund, and if you would like more information about doing so, please contact the church office or one of the Legacy Fund stewards: Terry Simon, Larry Hulighan, or Jamie Gordon.
